FastShip Carriers — Preferred Rate Partnership Proposal

Dear TrackFlow Partnerships Team,

FastShip Carriers is a regional last-mile delivery network currently expanding our footprint across the West Coast and Southwest United States. We are reaching out to introduce our services and explore a preferred-rate partnership with TrackFlow.

Why partner with FastShip Carriers

We offer highly competitive per-package rates for last-mile delivery, with volume-based discounts starting at 500 packages per month. Our network covers Los Angeles, San Diego, Phoenix, and Las Vegas, with same-day and next-day delivery options.

Proposed rate structure

We would like to offer TrackFlow our standard carrier rate card, with preferred pricing tiers based on your shipment volume commitments. We're confident our rates are more competitive than your current last-mile providers.

We'd love to schedule a call to discuss how FastShip Carriers could become one of your preferred last-mile partners. Please let us know your availability.

Best regards,

Business Development, FastShip Carriers
